सूक्ष्म और लघु उद्यम मूल उपकरण निर्माता/सेवा प्रदाता को खरीद में प्राथमिकता के लिए बिड की मात्रा का अधिकतम प्रतिशत / Percentage of Bid quantity/amount for MSE OEMs/ Service Provider Purchase preference	25

1. The minimum average annual financial turnover of the bidder during the last three financial years, ending on 31st March of the previous financial year, should be as indicated in the bid document. The turnover of the bidder shall be validated by the system based on the financial data available on the GeM portal. The average turnover shall be calculated based on the last three financial years where data is available; in case data is available for only two of the last three financial years, the average shall be computed based on those two years. In case the date of constitution / incorporation of the bidder is less than three years old, the average turnover in respect of the completed financial years after the date of constitution / incorporation shall be taken into account for this criterion. No separate documentary evidence is required to be uploaded by the bidder for this criterion, as the system shall derive and validate the turnover figures from the data available on the GeM portal.

2. Experience Criteria: In respect of the filter applied for experience criteria, the Bidder or its OEM of the product offered in the bid {themselves or through reseller(s)} should have regularly, manufactured and supplied same or similar Category Products to any Central / State Govt Organization / PSU for number of Financial years as indicated above in the bid document before the bid opening date. Copies of relevant contracts and delivery acceptance certificates like CRAC to be submitted along with bid in support of having supplied some quantity during each of the Financial year. In case of bunch bids, the category of primary product having highest value should meet this criterion.

3. Preference to Make In India products (For bids < 200 Crore): Preference shall be given to Class 1 local supplier as defined in public procurement (Preference to Make in India), Order 2017 as amended from time to time and its subsequent Orders/Notifications issued by concerned Nodal Ministry for specific Goods/Products. The minimum local content to qualify as a Class 1 local supplier is denoted in the bid document. If the bidder wants to avail the Purchase preference, the bidder must upload a certificate from the OEM regarding the percentage of the local content and the details of locations at which the local value addition is made along with their bid, failing which no purchase preference shall be granted. In case the bid value is more than Rs 10 Crore, the declaration relating to percentage of local content shall be certified by the statutory auditor or cost auditor, if the OEM is a company and by a practicing cost accountant or a chartered accountant for OEMs other than companies as per the Public Procurement (preference to Make-in -India) order 2017 dated 04.06.2020. Only Class-I and Class-II Local suppliers as per MII order dated 4.6.2020 will be eligible to bid. Non - Local suppliers as per MII order dated 04.06.2020 are not eligible to participate. However, eligible micro and small enterprises will be allowed to participate .The buyers are advised to refer the OM No.F.1/4/2021-PPD dated 18.05.2023.

[OM No.1 4 2021 PPD dated 18.05.2023](#) for compliance of Concurrent application of Public Procurement Policy for Micro and Small Enterprises Order, 2012 and Public Procurement (Preference to Make in India) Order, 2017 and its subsequent Orders/Notifications issued by concerned Ministry .Benefits of MSE will be allowed only if seller/service provider is validated on-line in GeM profile as well as validated and approved by Buyer after evaluation of documents submitted.

4. Purchase preference to Micro and Small Enterprises (MSEs): Purchase preference will be given to MSEs having valid Udyam Certificate and whose credentials are validated online through Udyam Registration portal as defined in Public Procurement Policy for Micro and Small Enterprises (MSEs) Order, 2012 dated 23.03.2012 issued by Ministry of Micro, Small and Medium Enterprises and its subsequent Orders/Notifications issued by concerned Ministry. If the bidder wants to avail themselves of the Purchase preference, the bidder must be the manufacturer / OEM of the offered product on GeM. In respect of bid for Services, the bidder must be the Service provider of the offered Service. Traders are excluded from the purview of Public Procurement Policy for Micro and Small Enterprises and hence resellers offering products manufactured by some other OEM are not eligible for any purchase preference. Relevant documentary evidence in this regard shall be uploaded along with the bid in respect of the offered product or service, and Buyer will decide eligibility for purchase preference based on documentary evidence submitted in case of product bids, whereas in case of services the eligibility is automatically validated. If L-1 is not an MSE and MSE Seller (s) has / have quoted price within L-1+ 15% (Selected by Buyer) of margin of purchase preference /price band defined in relevant policy, such MSE Seller shall be given opportunity to match L-1 price and contract will be awarded for 25% (selected by Buyer) percentage of total

quantity. The buyers are advised to refer the [OM No.1 4 2021 PPD dated 18.05.2023](#) for compliance of Concurrent application of Public Procurement Policy for Micro and Small Enterprises Order, 2012 and Public Procurement (Preference to Make in India) Order, 2017. Benefits of MSE will be allowed only if seller is validated on-line in GeM profile as well as validated and approved by Buyer after evaluation of documents submitted.

5. Estimated Bid Value indicated above is being declared solely for the purpose of guidance on EMD amount and for determining the Eligibility Criteria related to Turn Over, Past Performance and Project / Past Experience etc. This has no relevance or bearing on the price to be quoted by the bidders and is also not going to have any impact on bid participation. Also this is not going to be used as a criteria in determining reasonableness of quoted prices which would be determined by the buyer based on its own assessment of reasonableness and based on competitive prices received in Bid / RA process.

6. Past Performance: The Bidder or its OEM {themselves or through re-seller(s)} should have supplied same or similar Category Products for 50% of bid quantity, in at least one of the last three Financial years before the bid opening date to any Central / State Govt Organization / PSU. Copies of relevant contracts (proving supply of cumulative order quantity in any one financial year) to be submitted along with bid in support of quantity supplied in the relevant Financial year. In case of bunch bids, the category related to primary product having highest bid value should meet this criterion.

7. Reverse Auction would be conducted amongst all the technically qualified bidders except the Highest quoting bidder. The technically qualified Highest Quoting bidder will not be allowed to participate in RA. However, H-1 will also be allowed to participate in RA in following cases:

- i. If number of technically qualified bidders are only 2 or 3.
- ii. If Buyer has chosen to split the bid amongst N sellers, and H1 bid is coming within N.
- iii. In case Primary product of only one OEM is left in contention for participation in RA on elimination of H-1.
- iv. If L-1 is non-MSE and H-1 is eligible MSE and H-1 price is coming within price band of 15% of Non-MSE L-1
- v. If L-1 is non-MII and H-1 is eligible MII and H-1 price is coming within price band of 20% of Non-MII L-1

क्रेता द्वारा जोड़ी गई बिड की विशेष शर्तें/Buyer Added Bid Specific Terms and Conditions

1. Forms of EMD and PBG

Successful Bidder can submit the Performance Security in the form of Fixed Deposit Receipt also (besides PBG which is allowed as per GeM GTC). FDR should be made out or pledged in the name of

Gati Shakti Vishwavidyalaya,Vadodara

A/C (Name of the Seller). The bank should certify on it that the deposit can be withdrawn only on the demand or with the sanction of the pledgee. For release of Security Deposit, the FDR will be released in favour of bidder by the Buyer after making endorsement on the back of the FDR duly signed and stamped along with covering letter. Successful Bidder has to upload scanned copy of the FDR document in place of PBG and has to ensure delivery of hard copy of Original FDR to the Buyer within 15 days of award of contract.

2. Forms of EMD and PBG

Bidders can also submit the EMD with Account Payee Demand Draft in favour of

Gati Shakti Vishwavidyalaya
payable at
Vadodara

Bidder has to upload scanned copy / proof of the DD along with bid and has to ensure delivery of hardcopy to the Buyer within 5 days of Bid End date / Bid Opening date.

3. Certificates

Bidder's offer is liable to be rejected if they don't upload any of the certificates / documents sought in the Bid document, ATC and Corrigendum if any.

4. Buyer Added Bid Specific ATC

Buyer Added text based ATC clauses

Bidder must adhere to Specifications, eligibility criteria, terms & conditions, scope of work etc. mentioned in Tender document attached as ATC under point 4.

5. Buyer Added Bid Specific ATC

Buyer uploaded ATC document [Click here to view the file.](#)

अस्वीकरण/Disclaimer

The Additional Terms and Conditions (ATC) have been incorporated by the Buyer after approval of their Competent Authority. The Buyer ,is solely responsible for the impact of these clauses on the bidding process, its

outcome, and consequences thereof including any restriction arising in the bidding process due to these ATCs and including the modification of technical specifications and / or terms and conditions governing the bid. All representations / grievances pertaining to the ATC clauses shall be raised with the buyer organization directly and not with GeM. If any of the clause(s) is/are incorporated by the Buyer regarding the following, the bid & resultant contract shall be treated as null & void. Further, GeM reserves the right, at its sole discretion, to cancel the bid forthwith, without issuance of any prior notice or intimation :-

1. Publishing Custom / BOQ bids for items for which regular GeM categories are available (unless such Custom / BOQ item is bunched with the major regular product Category Item).
2. Mandating procurement of / from specific Brand / Make / Model / Manufacturer / Dealer except in case of Single Bid / Proprietary Article Certificate (PAC) Buying.
3. Inclusion of disqualification criteria related to suspension of seller / service provider, where such suspension period has already expired.
4. Mandating submission of documents (other than EMD and signed Integrity Pact - which can be submitted within 5 days of bid opening) in physical form as a pre-requisite to qualify bidders.
5. Publishing bids on GeM for procurement of works.
6. Procurement of Goods by creating a Service bid on GeM & vice-versa.
7. Seeking sample with bid or approval of samples during bid evaluation process. However, trial / sample, as the case may be, shall be permitted in cases where trial / sample are allowed as per approved and published procurement policy of the Buyers' controlling Ministry / Department / State / Public Sector Enterprises Headquarters. If there is any violation of trial / sample clause with regard to approved policy of the Buyers' Ministry / Department / State / Public Sector Enterprises Headquarters, then this is to be determined and redressed by the concerned Buyer Organisation only.
8. Seeking experience from specific organization / department / institute only or from foreign / export experience.
9. Creating bid for items from incorrect categories.
10. Reference of conditions published on any external site or reference to external documents/clauses.
11. Asking for any Tender fee / Bid Participation fee, as the case may be.
12. Buyer added ATC Clauses which are in contravention of clauses defined in bid detail section, including specifications, EMD Detail, ePBG Detail and MII and MSE Purchase Preference sections of the bid, unless otherwise allowed by the applicable GeM GTC.
13. Any ATC clause in contravention with GeM GTC Clause 4 (xiii) (h) will be invalid. In case of multiple L1 bidders against a service bid, the buyer shall place the Contract by selection of a bidder amongst the L-1 bidders through a Random Algorithm executed by GeM system.
14. In a category based bid, adding additional items, through buyer added, additional scope of work/ additional terms and conditions/or any other document. If buyer needs more items along with the main item, the same must be added through bunching category based items or by bunching custom catalogues or bunching a BoQ with the main category based item, the same must not be done through ATC or Scope of Work.

Further, if any seller has any objection/grievance against these additional clauses or otherwise on any aspect of this bid, they can raise their representation against the same by using the Representation window provided in the bid details field in Seller dashboard after logging in as a seller. Buyer is duty bound to reply to all such representations and would not be allowed to open bids if he fails to reply to such representations.

All GeM Sellers/Service Providers shall ensure full compliance with all applicable labour laws, including the provisions, rules, schemes and guidelines under the four Labour Codes i.e. the Code on Wages, 2019; the Industrial Relations Code, 2020; the Occupational Safety, Health and Working Conditions Code, 2020; and the Code on Social Security, 2020 as and when notified and brought into force by the Government of India.

For all provisions of the Labour Codes that are pending operationalisation through rules, schemes or notifications, the corresponding provisions of the pre-existing labour enactments (such as The Minimum Wages Act, 1948, The Payment of Wages Act, 1936, The Payment of Bonus Act, 1965, The Equal Remuneration Act, 1976, The Payment of Gratuity Act, 1972, etc. and relevant State Rules) shall continue to remain applicable.

The Seller/ Service Providers shall, therefore, be responsible for ensuring compliance under:

- **All notified and enforceable provisions of the new Labour Codes as mentioned hereinabove;**

and

- All operative provisions of the erstwhile Labour Laws until their complete substitution.

All obligations relating to wages, social security, safety, working conditions, industrial relations etc. and any other statutory requirements shall be strictly met by the Seller/ Service Provider. Any non-compliance shall constitute a breach of the contract and shall entitle the Buyer to take appropriate action in accordance with the contract and applicable law.

This Bid is governed by the General Terms and Conditions, conditions stipulated in Bid and Service Level Agreement specific to the Service, as the case may be, as provided in the Marketplace.

However, in case of Service, if any condition specified in General Terms and Conditions is contradicted by the conditions stipulated in Service Level Agreement specific to said Service, then it will over-ride the conditions in the General Terms and Conditions.

[यह बिड सामान्य शर्तों के अंतर्गत भी शासित है /This Bid is also governed by the General Terms and Conditions](#)

जेम की सामान्य शर्तों के खंड 26 के संदर्भ में भारत के साथ भूमि सीमा साझा करने वाले देश के बिडर से खरीद पर प्रतिबंध के संबंध में भारत के साथ भूमि सीमा साझा करने वाले देश का कोई भी बिडर इस निविदा में बिड देने के लिए तभी पात्र होगा जब वह बिड देने वाला सक्षम प्राधिकारी के पास पंजीकृत हो। बिड में भाग लेते समय बिडर को इसका अनुपालन करना होगा और कोई भी गलत घोषणा किए जाने व इसका अनुपालन न करने पर अनुबंध को तत्काल समाप्त करने और कानून के अनुसार आगे की कानूनी कार्रवाई का आधार होगा।/In terms

of GeM GTC clause 26 regarding Restrictions on procurement from a bidder of a country which shares a land border with India, any bidder from a country which shares a land border with India will be eligible to bid in this tender only if the bidder is registered with the Competent Authority. While participating in bid, Bidder has to undertake compliance of this and any false declaration and non-compliance of this would be a ground for immediate termination of the contract and further legal action in accordance with the laws.

GATI SHAKTI VISHWAVIDYALAYA

(A Central University under the Ministry of Railways, Government of India)

लालबाग, वडोदरा, गुजरात / Lalbaug, Vadodara, Gujarat 390004

SECTION 1: INTRODUCTION

1.1 About Gati Shakti Vishwavidyalaya

Gati Shakti Vishwavidyalaya (GSV) is a Central University under the Ministry of Railways, Government of India, established through the Central Universities (Amendment) Act, 2022, passed by the Parliament of India. GSV is India's first University dedicated to the Transportation and Logistics sectors.

The University offers a unique value proposition in applied education, training, skilling, and research through experiential learning and academia-industry interface to build top-quality manpower. As an Industry-driven and Innovation-led University with a mandate to significantly impact national development, GSV has established, and continues to establish, national and international collaborations with prestigious universities and leading industries.

The Visitor of the University is the Hon'ble President of India, and the Chancellor is the Union Minister of Railways, Government of India. The University is envisioned as a premier institution of higher learning, providing highly qualified professionals, researchers, and thinkers to the transportation and logistics industry in India and abroad.

1.2 Purpose of this Tender

GSV invites online bids under the Two-Bid System (Technical Bid and Financial Bid) for the Design, Fabrication, Supply, and Installation of a Tensile Membrane Structure for the Car Parking Shade in front of the GSV Academic Building, Lalbaug, Vadodara, on a complete turnkey basis.

Bidders are advised to regularly visit the GSV website, www.gsv.ac.in, and the e-Procurement portal to stay updated on any amendments, corrigenda, or related notifications issued from time to time.

1.3 General Instructions to Bidders

- Bidders are advised to carefully read and understand all Terms & Conditions before filling out the tender document. Incomplete or improperly filled tenders will be summarily rejected.
- Tenders must be submitted online only, through the GEM.
- The bidder's name and address must be clearly mentioned in the space provided. Overwriting, corrections, or insertions are not permitted unless duly countersigned by the bidder.
- Bids shall be submitted in two parts: Technical Bid (as per Appendix 1) and Financial Bid (opened only for technically qualified bidders).
- GSV reserves the right to amend or modify any condition of the tender prior to the opening of the Technical Bid.
- The successful bidder shall be required to execute a formal Agreement with GSV before commencement of work.
- Canvassing in any form shall lead to immediate rejection of the bid.
- Conditional tenders will not be accepted and shall be rejected outright.
- Correction of Errors: Bidders are advised to exercise utmost caution while entering rates in the Financial Bid. No claim of error or request for correction of quoted rates shall be accepted after the bid submission deadline.
- Period of Bid Validity: The bid shall remain valid for 180 days from the date of bid opening.

1.4 Grounds for Disqualification of Bid

A bid may be disqualified under, but not limited to, the following circumstances:

- If not submitted in the prescribed format.

गति शक्ति विश्वविद्यालय

GATI SHAKTI VISHWAVIDYALAYA

(A Central University under the Ministry of Railways, Government of India)

लालबाग, वडोदरा, गुजरात / Lalbaug, Vadodara, Gujarat 390004

- If the bid is incomplete or missing required forms and supporting documents.
- If any information provided in the Technical Bid is found to be false, incorrect, or misleading at any stage of evaluation or contract execution.
- If the successful bidder declines the contract offer for any reason, the EMD shall be forfeited.

No exemptions shall be granted to MSME bidders with respect to turnover or experience criteria for this tender.

SECTION 2: NOTICE INVITING TENDER (NIT)

Tender No.	GSV/ADM/CLS/Parking Shade/2026-2027
Name of Work	Design, Fabrication, Supply & Installation of Tensile Membrane Structure with Roof for Car Parking Shade in front of GSV Academic Building
Estimated Tender Value	Rs. 27,72,000/- (Rupees Twenty-Seven Lakh Seventy-Two Thousand only), inclusive of GST
Cost of Tender Document (Non-refundable)	Rs. 1,180/- (Rupees One Thousand One Hundred Eighty only) Bank: State Bank of India A/c No.: 38616836365 IFSC: SBIN0001064 Branch: Lalbaug, Vadodara
Earnest Money Deposit (EMD)	Rs. 55,440/- (2% of Estimated Cost), Refundable
Performance Bank Guarantee (PBG)	Rs. (5% of Contract Value)
Completion Period	30 days (1 month) from the date of issue of Letter of Acceptance (LOA)
Bid Submission Start Date	
Date of Pre-Bid Meeting	
Bid Submission End Date	
Bid Opening Date & Time	
Validity of Bids	180 days from the date of Tender Opening

2.1 Project Overview

Work Title	Car Parking Shade – Tensile Membrane Structure
Type of Structure	Tensile Fabric Roof with GI/MS Structural Support
Location	In front of GSV Academic Building, Lalbaug, Vadodara
Total Area	3,465 sq. ft. (L = 210 ft × W = 16.5 ft), approx.

गति शक्ति विश्वविद्यालय

GATI SHAKTI VISHWAVIDYALAYA

(A Central University under the Ministry of Railways, Government of India)

लालबाग, वडोदरा, गुजरात / Lalbaug, Vadodara, Gujarat 390004

SECTION 3: GENERAL CONDITIONS OF DESIGN & CONSTRUCTION

3.1 General

- These Special Conditions shall be read in conjunction with the General Conditions of Contract (GCC) and all other Tender Documents.
- In case of any conflict between the Special Conditions and the GCC, the Special Conditions shall prevail.
- The Contractor shall carefully examine all Tender Documents before submitting his bid.
- The Contractor shall be deemed to have inspected and examined the site and its surroundings and satisfied himself as to the nature of the ground, extent of work, and other relevant matters. The bidder shall mandatorily visit the site prior to submission of the bid and must attach a Site Visit / Site Inspection Letter along with the Technical Bid.

3.2 Design & Engineering

- The Contractor shall be responsible for complete Design, Fabrication, Supply, and Installation of the Tensile Membrane Structure on a turnkey basis.
- All structural designs shall be prepared and certified by a qualified Structural Engineer (IIT/NIT) approved by GSV.
- The design shall conform to relevant BIS/IS codes and applicable international standards for tensile membrane structures.
- Load calculations shall include Dead Load, Live Load, and Wind/Seismic considerations as per IS Codes.
- All drawings (Architectural, Structural, Fabrication, and 3D visualisation) shall be submitted to GSV for approval before commencement of fabrication.
- Design of the structure and foundation shall be prepared by the Agency and approved by GSV prior to execution.

3.3 Materials & Quality

- All materials shall conform to BIS/IS Standards or equivalent international standards.
- Tensile Fabric: Minimum 730 GSM PVC-coated polyester fabric from reputed manufacturers (Sioen / Sattler or equivalent).
- Metal Structure: GI/MS sections as per structural design requirements.
- All materials shall be accompanied by test certificates/mill certificates from accredited laboratories.
- The Engineer-in-Charge (FIC Civil) may, at his discretion, test materials at site or get them tested from any accredited laboratory at the Contractor's cost.
- No substitution of approved materials shall be made without prior written approval of FIC Civil.

3.4 Construction & Workmanship

- All fabrication work shall be carried out in a well-equipped workshop with quality control systems in place.
- Welding shall be done by qualified/certified welders as per BIS standards.
- Surface preparation and painting shall strictly follow the specified sequence: 1 coat epoxy primer, 2 coats PU paint.
- RCC foundations and column construction shall follow standard practice and structural design specifications.
- Area of construction is approx. 3,500 sq. ft.

गति शक्ति विश्वविद्यालय

GATI SHAKTI VISHWAVIDYALAYA

(A Central University under the Ministry of Railways, Government of India)

लालबाग, वडोदरा, गुजरात / Lalbaug, Vadodara, Gujarat 390004

- Erection and installation shall be carried out by trained professionals in a safe manner.
- All items supplied under this contract must be brand new and unused.

3.5 Project Timeline & Completion

- The total project shall be completed within 30 days from the date of issue of the Letter of Acceptance (LOA).
- The Contractor shall submit a detailed programme/schedule within 7 days of issue of LOA.
- Weekly progress reports shall be submitted to the Engineer-in-Charge (FIC Civil).
- Liquidated Damages (LD) of 0.5% of contract value per week (subject to a maximum of 10%) shall be levied for delay attributable to the Contractor.

3.6 Safety & Compliance

- Appropriate safety equipment for workers shall be mandatory at all times.
- The Contractor shall obtain all necessary statutory permissions/approvals prior to commencement of work.
- A Work Completion cum Safety Certificate shall be submitted by the Contractor upon completion.
- The Contractor shall indemnify GSV against any damage, loss, or liability arising from accident or negligence during execution.

3.7 Payments & Retention

- Mode of Payment: Payment shall be released through NEFT/RTGS only, subject to submission of all required documents and satisfactory completion of contractual obligations as per government norms.
- Payment Schedule: Payment shall be made after completion of the work and certification by FIC Civil.
- Final payment shall be released after successful completion and certification of all works, including the Safety Certificate.
- Documents required for payment processing: Contractor's Invoice, Delivery Challan(s), Manufacturer's Guarantee/Warranty Certificate, Installation/Commissioning Report, Bank Details/Cancelled Cheque, and Performance Bank Guarantee.
- Statutory Deductions: All applicable statutory deductions (TDS, GST-TDS, etc.) shall be made at the time of payment as per Government rules.

3.8 Defect Liability Period (DLP)

- The Defect Liability Period shall be 5 years from the date of the completion certificate.
- During the DLP, the Contractor shall rectify any defect in materials or workmanship free of cost.
- Failure to rectify within 15 days of notice may result in recovery of cost from the PBG.

SECTION 4: DESCRIPTION OF WORK – CONSTRUCTION PROCESS & INSTALLATION

This section describes in detail the step-by-step construction process for the Tensile Membrane Car Parking Shade structure. The scope comprises a complete turnkey package covering civil, structural, fabrication, and finishing works.

4.1 Phase-Wise Construction Sequence

Phase 1: Site Preparation & Layout

- Conduct a detailed site survey and establish benchmark levels and reference points.
- Mark the exact column positions as per the approved structural drawing (210 ft × 16.5 ft bay layout).
- Demarcate the working zone with barricading and safety signage to protect campus activities.
- Arrange access to water supply and electrical power points for construction purposes.
- Ensure all statutory permissions, NOCs, and work orders are in place before commencing.

Phase 2: Civil Work – Foundation Construction

- Carry out earthwork excavation for RCC column foundations as per approved structural design.
- Prepare the foundation bed: compact the soil to required bearing capacity, lay PCC bed of minimum 75 mm thickness.
- Erect shuttering/formwork for the column footing and column up to plinth level.
- Bind reinforcement steel as per structural drawing, including main bars, lateral ties, and column starter bars.
- Pour M25 or as-designed concrete mix; ensure proper compaction using mechanical vibrators.
- Cure the concrete for a minimum of 14 days before removal of shuttering and application of structural loads.
- Backfill excavated earth around the foundation; compact in layers to avoid future settlement.

Phase 3: Metal Structural Work – Column & Frame Erection

- Fabricate MS/GI hollow structural sections (columns, arched rafters, purlins, and bracing members) in workshop as per approved drawings.
- Perform primary welding by certified welders only; check all weld joints for quality and penetration.
- Carry out surface preparation: mechanical grinding/sanding to Sa 2.5 standard, removing all mill scale, rust, and contaminants.
- Apply 1 coat of epoxy primer (DFT 50 microns), followed by 2 coats of PU paint (DFT 35 microns per coat) in approved colour (white/off-white).
- Transport fabricated structural members to site; erect MS/GI columns in pre-cast column pockets and grout with non-shrink grouting material.
- Erect main arch/rafter frames; connect all members with bolts, gussets, and base plates as per design.
- Align and plumb all columns; install cross-bracing and secondary purlin members to complete the structural frame.
- Conduct structural inspection with the qualified Structural Engineer before proceeding to fabric installation.

Phase 4: Tensile Fabric Fabrication & Installation

- Obtain approved tensile fabric roll (min. 730 GSM PVC-coated polyester – Sioen/Sattler or equivalent) with mill test certificate.

गति शक्ति विश्वविद्यालय

GATI SHAKTI VISHWAVIDYALAYA

(A Central University under the Ministry of Railways, Government of India)

लालबाग, वडोदरा, गुजरात / Lalbaug, Vadodara, Gujarat 390004

- Take precise field measurements of the erected structure; prepare cutting patterns using CAD/CAM software for zero-waste precision cutting.
- Cut tensile fabric panels to pattern; join panels using high-frequency (HF) welding to achieve watertight, structurally sound seams.
- Sew edge rope (keder rope) into all boundary hems to create the tensioning perimeter.
- Install keder profiles (aluminium extrusion tracks) along rafter/purlin top flanges where the fabric anchors.
- Roll and transport fabricated tensile panels to site; lift and position fabric over the structural frame.
- Thread keder rope ends into keder profiles; secure all corners with stainless steel corner plates and turnbuckles.
- Tension the membrane gradually and uniformly from all directions to achieve the designed anticlastic (wave) curvature shown in the design renders.
- Inspect membrane for any wrinkles, stress concentrations, or misalignment; adjust tensioning as required.
- Install all GI hardware: tensioning cables, turnbuckles, clamps, buckles, and edge accessories.

Phase 5: Finishing, Inspection & Handover

- Clean the entire structure: remove all construction debris, concrete splatter, and paint drips.
- Carry out final touch-up painting on any areas disturbed during erection.
- Commission a third-party structural inspection by a Licensed Structural Engineer; obtain a Structural Stability Certificate.
- Prepare and submit a Work Completion cum Safety Certificate to the Engineer-in-Charge (EIC).
- Conduct a joint inspection with the EIC and GSV representative; document and rectify any snag list items.
- Hand over the completed structure with As-Built Drawings, Maintenance Manual, and warranty certificates.

4.2 Construction Items – Bill of Quantities (BOQ) Summary

S.No.	Description of Item	Unit	Qty.
A	CIVIL WORK		
A1	RCC Structural Design including structural analysis, design, and submission of drawings	L.S.	1
A2	Digging of pits for columns including earthwork in excavation in all types of soil/rock	Cum	As reqd.
A3	Construction of columns with RCC including shuttering, reinforcement, and concrete of required grade including foundation	Cum	As reqd.
B	METAL STRUCTURAL WORK		
B1	Structural Design and load calculations including structural analysis, stability, and preparation of detailed drawings	L.S.	1
B2	Supply and erection of Super Structure using MS/GI sections including all connections, bolts, and fittings	MT	As reqd.
B3	Metal structure surface preparation by mechanical sanding/grinding to Sa 2.5 standard	Sqm	As reqd.
B4	Structure painting: 1 coat epoxy primer (DFT 50 microns) + 2 coats PU paint (DFT 35 microns each)	Sqm	As reqd.
C	FABRICATION & FINISHING		
C1	Supply, fabrication, and installation of Tensile Fabric (Min. 730 GSM – Sioen/Sattler or equivalent) including all cutting, HF welding, keder rope, and connection hardware	Sqft	3465
C2	Supply and installation of GI hardware including tensioning cables, turnbuckles, clamps, buckles, keder profiles, and all accessories	L.S.	1
C3	Work Completion cum Safety Certificate (Structural Stability Certificate from Licensed Structural Engineer)	L.S.	1

लालबाग, वडोदरा, गुजरात / Lalbaug, Vadodara, Gujarat 390004

SECTION 5: SPECIAL CONDITIONS OF CONTRACT

The following Special Conditions apply specifically to this Tensile Membrane Car Parking Shade project and shall be read in conjunction with the General Conditions of Contract.

5.1 Design Standards & Code Compliance

IS 456:2000	Plain and Reinforced Concrete – Code of Practice (for RCC foundations and columns)
IS 875 (Part 1-5)	Code of Practice for Design Loads for Buildings and Structures
IS 1893:2016	Criteria for Earthquake Resistant Design of Structures
IS 800:2007	General Construction in Steel – Code of Practice
IS 2062:2011	Hot Rolled Medium and High Tensile Structural Steel
IS 4923:1997	Hollow Steel Sections for Structural Use
IS 4759	Hot-Dip Zinc Coatings on Structural Steel – Specification
ASCE 7 / EN 13782	International Standards for Temporary and Permanent Membrane Structures

5.2 Tensile Fabric – Special Conditions

- The tensile membrane fabric shall be minimum 730 GSM PVC-coated polyester (architectural grade) from Sioen Industries (Belgium), Sattler Group (Austria), or an equivalent pre-approved manufacturer.
- All membrane shall have double lacquering of highly concentrated PVDF on both sides and double PVC coatings.
- Fabric shall have a minimum tensile strength of 4,000 N/5cm in both warp and weft directions, tested as per ISO 1421.
- Fabric shall have a minimum tear strength of 600 N (warp) and 500 N (weft).
- Fabric shall be UV-stabilised with a minimum 10-year outdoor performance warranty from the manufacturer.
- Fabric colour shall be white or off-white; colour cards to be submitted for GSV approval before procurement.
- All PVC tensile fabric joints shall be welded in single-stroke seamless welds with 60–80 mm weld width using a minimum 20 kW Forstrom high-frequency welding machine; stitched seams are not acceptable for structural joints.
- All PVC joints shall be formed to a tolerance of +1mm/-1mm; all joints shall be single-laid to achieve a seamless finish, and no cut edge shall face uphill.
- All membranes shall be weldable without grinding to minimise environmental impact.
- Fabric colour-fastness shall not be less than rating 6, in accordance with German standard DIN 54004 / DIN EN ISO 105 B02.
- All fabric quantities for this work shall be measured in square metres/square feet as applicable.
- The Contractor shall submit certified test reports for all fabric rolls delivered to site.

5.3 Metal Structure – Special Conditions

गति शक्ति विश्वविद्यालय

GATI SHAKTI VISHWAVIDYALAYA

(A Central University under the Ministry of Railways, Government of India)

लालबाग, वडोदरा, गुजरात / Lalbaug, Vadodara, Gujarat 390004

- All structural steel shall be IS 2062 Grade E250 or better.
- All hollow sections (SHS/RHS/CHS) shall conform to IS 4923:1997.
- Welding electrodes and consumables shall be from approved makes; welder qualification certificates shall be submitted.
- Anti-corrosion treatment of epoxy primer plus PU paint shall be applied as specified; no painting of unprepared or wet surfaces shall be permitted.
- All bolted connections shall use minimum Grade 8.8 bolts with spring washers and lock nuts.
- GI (Galvanised Iron) members shall have a minimum galvanising thickness of 85 microns as per IS 4759.

5.4 Structural Inspection & Certification

- A qualified Structural Engineer (minimum M.E./M.Tech in Civil/Structural Engineering, 3+ years' experience), preferably a Professor from NIT/IIT, shall certify structural design adequacy before fabrication.
- On-site structural inspection shall be conducted at the following stages: (i) foundation reinforcement before concrete pour, (ii) column erection before frame assembly, (iii) completed structure before fabric installation, and (iv) final completion.
- Inspection records shall be maintained in a site diary, countersigned by the Engineer-in-Charge.
- The final Structural Stability Certificate shall be issued by the Structural Engineer and submitted to GSV as a mandatory document.

5.5 Environmental & Campus Conditions

- All construction activities shall be restricted to the designated work zone; access to University buildings shall not be blocked at any time.
- Noise generating activities (cutting, grinding, drilling) shall be restricted to 8:00 AM – 6:00 PM on weekdays only.
- No construction materials or equipment shall be stored in non-designated areas.
- The Contractor shall be responsible for daily cleaning of the construction zone.
- Any damage to existing pavements, lawns, or campus infrastructure shall be repaired by the Contractor at his own cost.
- The Contractor shall ensure minimum dust generation; water sprinkling shall be carried out as necessary.

5.6 Warranty & After-Sales Service

- The Contractor shall provide a comprehensive onsite warranty for a minimum period of 5 years on the entire structure (fabric + metal + civil elements) from the date of installation and successful commissioning.
- The tensile fabric shall be warranted against UV degradation, colour fading, and loss of structural integrity for a minimum of 10 years (manufacturer's warranty to be passed on to GSV).
- The metal structure shall be warranted against corrosion, structural failure, and paint peeling for a minimum of 5 years.
- Annual maintenance visits (2 per year during the DLP) shall be conducted free of charge by the Contractor.
- Resolution Time: The Contractor shall ensure that any reported defect/complaint is resolved within 48 hours from the time the complaint is lodged.

गति शक्ति विश्वविद्यालय

GATI SHAKTI VISHWAVIDYALAYA

(A Central University under the Ministry of Railways, Government of India)

लालबाग, वडोदरा, गुजरात / Lalbaug, Vadodara, Gujarat 390004

- **Penalty for Delay:** If the Contractor fails to resolve a complaint within 48 hours, a penalty of 0.1% of the total contract value shall be imposed for each day of delay, without prejudice to other contractual rights of GSV.
- **Non-Exclusion from Warranty:** Availing service from a third party due to the Contractor's delay shall not result in cancellation, reduction, or voiding of the warranty. The Contractor shall continue to remain responsible for the remaining warranty period and all related obligations.
- **After-Sales Service:** The Contractor/OEM/Authorized Dealer shall have an authorized agent or service centre in Gujarat for providing after-sales service, with details of service engineers, toll-free number, and escalation matrix to be furnished.

GATI SHAKTI VISHWAVIDYALAYA

(A Central University under the Ministry of Railways, Government of India)

लालबाग, वडोदरा, गुजरात / Lalbaug, Vadodara, Gujarat 390004

SECTION 6: ELIGIBILITY AND PRE-QUALIFICATION CRITERIA

6.1 Legal Status

S.No.	Criteria	Documents Required
1	Registered Proprietorship / Partnership / Pvt. Ltd. / Ltd. Company / LLP	Certificate of Incorporation / Registration
2	Valid GST Registration	GST Registration Certificate
3	Valid PAN Card of the Firm	PAN Card Copy
4	Valid EPF & ESI Registration (if applicable)	EPF/ESI Registration Certificate

6.2 Technical Experience

The bidder must have successfully supplied and installed at least two similar BOQ items (Tensile Membrane/Fabric Structures) to IITs/NITs/Government Universities/other reputed organisations over the last 3 years (the current financial year and the preceding three financial years, ending in March prior to the bid opening). The bidder should have, in this regard:

- ONE project of a similar nature costing not less than 80% of the estimated cost; OR
- TWO projects of a similar nature, each costing not less than 50% of the estimated cost; OR
- THREE projects of a similar nature, each costing not less than 40% of the estimated cost.

Minimum past performance shall relate to similar equipment/structures. Proof of satisfactory after-sales service from IITs/NITs/Government Universities/reputed organisations is mandatory. Non-submission of experience documents from such institutions shall result in outright rejection.

- Possession of, or access to, design capability through a qualified Structural Engineer (minimum B.E./B.Tech in Civil/Structural Engineering), preferably from IIT/NIT.
- Demonstrated experience in installation of PVC-coated Tensile Fabric Structures of minimum 730 GSM.
- Manufacturer Authorization: The bidder shall be an OEM or OEM-authorised Dealer/Channel Partner/Distributor of the proposed tensile fabric brand, with valid authorisation for sales and after-sales support.

6.3 Financial Capability

- Minimum Average Annual Turnover of Rs. 30 Lakhs during the last three financial years (2022-23, 2023-24 & 2024-25), to be supported by audited balance sheets / Chartered Accountant certificate (refer Appendix 3).
- Net Worth (tangible assets) shall be positive as per the last audited balance sheet.

6.4 ISO Certification

- The bidder or the proposed fabric OEM shall possess and submit a valid copy of ISO 9001:2015 certification.

6.5 Other Conditions

- Blacklisted/debarred firms by any Central/State Government, PSU, or Autonomous Organization shall not be eligible.

गति शक्ति विश्वविद्यालय

GATI SHAKTI VISHWAVIDYALAYA

(A Central University under the Ministry of Railways, Government of India)

लालबाग, वडोदरा, गुजरात / Lalbaug, Vadodara, Gujarat 390004

- A self-declaration of non-blacklisting on letterhead shall be submitted along with the Technical Bid, as per Appendix 4.
- Bidders are required to fill, sign, and stamp the Technical Bid and all its enclosures, with supporting documents attached in the prescribed sequence.

गति शक्ति विश्वविद्यालय

SECTION 7: EARNEST MONEY DEPOSIT (EMD) & PERFORMANCE BANK GUARANTEE (PBG)

7.1 Earnest Money Deposit (EMD)

EMD Amount	Rs. 55,440/- (2% of Estimated Cost)
In favour of	Gati Shakti Vishwavidyalaya, payable at Vadodara
Validity	Minimum period of the final bid validity (180 days from date of submission of Bid)
Exemption	No exemption shall be granted to MSME/NSIC-registered bidders with respect to EMD, turnover, or experience criteria for this tender

EMD shall be submitted along with the Technical Bid. Tenders submitted without the prescribed EMD will be treated as non-responsive and summarily rejected. The EMD of unsuccessful bidders shall be refunded by GSV after completion of the tender process within a reasonable time frame, without interest.

The EMD of the successful bidder is liable to be forfeited under any of the following circumstances:

- Failure to supply/execute the work as per the schedule specified in the agreement.
- Failure to furnish the Performance Bank Guarantee within the stipulated period.
- Failure to execute and sign the contract agreement with GSV within the prescribed time.
- Withdrawal or modification of the bid during its validity period.

7.2 Performance Bank Guarantee (PBG)

PBG Amount	5% of Contract Value
Submission Deadline	Within 15 days of issue of Work Order / Letter of Acceptance
Form	Bank Guarantee from a Scheduled Commercial Bank / FDR
Validity	Contract Period + Defect Liability Period (5 years)
In favour of	Gati Shakti Vishwavidyalaya

लालबाग, वडोदरा, गुजरात / Lalbaug, Vadodara, Gujarat 390004

SECTION 8: SCOPE OF WORK AND CONDITIONS

8.1 Overview

The Contractor shall undertake the complete turnkey scope for Design, Fabrication, Supply, and Installation of the Tensile Membrane Structure for the Car Parking Shade at the Gati Shakti Vishwavidyalaya Campus, Vadodara, in proper condition throughout the warranty period, and shall provide after-sales support as detailed herein.

8.2 Detailed Scope Civil Work

- RCC Structural Design: Preparation of structural drawings, analysis, and design of RCC elements as per IS 456:2000 and other applicable codes.
- Digging of Pits for Columns: Earthwork in excavation for column foundations in all types of soil, including filling and compacting after column casting.
- Construction of RCC Columns: Columns including foundation, shuttering, reinforcement, and concrete of required design mix, complete as per structural design.

8.3 Detailed Scope Metal Structural Work

- Structural Design & Load Calculation: Complete structural design and load calculation report covering Dead Load, Live Load, Wind Load (IS 875), and Seismic Load (IS 1893), including stability analysis.
- Super Structure (MS/GI): Fabrication and erection of the main super structure using MS/GI hollow sections or built-up sections as per approved design, including all connections, bolts, nuts, washers, and base plates.
- Surface Preparation: Mechanical surface preparation of all metal surfaces by sanding/shot blasting.
- Structure Painting: 1 coat epoxy primer + 2 coats PU paint for corrosion protection and aesthetic finish.

8.4 Detailed Scope – Fabrication & Finishing

- Tensile Fabric: Supply, fabrication (cutting, HF welding), and installation of PVC-coated tensile fabric of minimum 730 GSM from approved manufacturers, including all edge ropes, keder profiles, and connection hardware.
- GI Hardware: Supply and installation of all tensioning cables/ropes, turnbuckles, clamps, brackets, and accessories required for complete and safe installation.
- Work Completion & Safety Certificate: Submission of a Work Completion Certificate and Structural Stability Certificate upon project completion.

8.5 Site Conditions

- The Contractor shall visit the site before submission of the bid and shall satisfy himself regarding site conditions.
- No additional claims on account of site conditions shall be entertained after submission of the bid.
- The Contractor shall make his own arrangements for water, electricity, and other utilities required for construction.
- All debris and waste material shall be removed from the site by the Contractor at his own cost.
- The Contractor shall ensure that his activities do not interfere with the functioning of the University campus.

8.6 Inspection & Quality Surveillance

गति शक्ति विश्वविद्यालय

GATI SHAKTI VISHWAVIDYALAYA

(A Central University under the Ministry of Railways, Government of India)

लालबाग, वडोदरा, गुजरात / Lalbaug, Vadodara, Gujarat 390004

- GSV may, at any stage, depute engineer or a quality surveillance agency to the Contractor's workshop/worksites to assess fabrication capability and inspect items during production.
- The Contractor must provide full access and necessary facilities for inspection and progress verification.
- Pre-Technical Inspection: If required by GSV, the bidder shall arrange a pre-technical inspection of selected/all items at GSV's location. Failure to comply shall result in rejection.

गति शक्ति विश्वविद्यालय

GATI SHAKTI VISHWAVIDYALAYA

(A Central University under the Ministry of Railways, Government of India)

लालबाग, वडोदरा, गुजरात / Lalbaug, Vadodara, Gujarat 390004

SECTION 9: BID EVALUATION, TERMINATION & DISPUTE RESOLUTION

9.1 Criteria for Technical Bid Evaluation

GSV has prescribed specific eligibility criteria for bidders intending to participate in this tender (refer Section 6). To qualify technically, bidders must meet all such requirements and provide supporting documentation for verification.

- GSV shall evaluate each bid to verify compliance with all terms and conditions specified in the tender, and whether the bid is substantially responsive to the requirements.
- Bids that fail to meet the tender conditions or lack required documentation shall be treated as non-responsive and shall not be considered for further evaluation or opening of the Financial Bid.
- For the purpose of clarification, evaluation, or comparison of bids, GSV may, at its discretion, seek written clarifications from any bidder. No modification of bid contents shall be allowed at this stage.
- Any tender found non-responsive shall be rejected outright and cannot be made responsive later by addition, correction, or withdrawal of deviations or reservations.
- All documents and certificates mentioned in this tender including experience certificates, turnover proof, registration numbers, GST registration, and PAN shall be considered integral components of the Technical Bid and must be uploaded accordingly.

9.2 Criteria for Financial Bid Evaluation

- Bids will be evaluated on the basis of the Two-Bid System. Technical Bids will be opened first and evaluated for eligibility and pre-qualification.
- The Financial Bid shall be processed strictly in accordance with e-Procurement procedures. Only bidders who are technically qualified will have their Financial Bids opened.
- The contract shall be awarded to the Lowest (L1) technically qualified bidder, as determined per prevailing e-Procurement norms and guidelines.
- GSV reserves the right to negotiate with the L1 bidder.

9.3 Termination of Contract

GSV reserves the right to terminate the contract in the following circumstances, in addition to any other rights available under the agreement and applicable law:

- Termination for Default: GSV reserves the right to terminate the contract with 15 days' written notice if the Contractor fails to complete the work within the stipulated time (including any extension granted), fails to maintain the required quality/specifications, exhibits unsatisfactory performance, commits any other material breach of contract, or engages in fraudulent activity. The Contractor shall be given the 15-day notice period to remedy the breach where remediable.
- Termination for Insolvency: GSV may terminate the contract at any time by written notice to the Contractor if the Contractor becomes bankrupt, insolvent, or goes into liquidation, without compensation to the Contractor, provided such termination does not prejudice or affect any right of action or remedy accrued to GSV.
- Termination for Convenience: GSV reserves the right to terminate the contract, in whole or in part, for its own convenience, by giving the Contractor a written notice of not less than 30 days. In such an event, the Contractor shall be paid only for work satisfactorily completed up to the date of termination.
- Consequences of Termination: Upon termination, the Contractor shall immediately stop all work, hand over all completed and partially completed works, materials, drawings, and documents to GSV, and shall be liable to refund/forfeit the EMD/PBG as applicable. GSV shall not be responsible to pay bills for any work executed in violation of contract terms.

गति शक्ति विश्वविद्यालय

GATI SHAKTI VISHWAVIDYALAYA

(A Central University under the Ministry of Railways, Government of India)

लालबाग, वडोदरा, गुजरात / Lalbaug, Vadodara, Gujarat 390004

- In case of termination due to the Contractor's default, GSV reserves the right to get the balance work completed through an alternate agency at the risk and cost of the defaulting Contractor, and to recover any extra expenditure incurred from the Contractor's PBG, pending bills, or through legal recourse.
- GSV further reserves the right to split the work or cancel the tender at any stage, without assigning any reason, prior to issuance of the Letter of Acceptance.

9.4 General Conditions

- The Tender Documents and related information shall not be shared with third parties.
- GSV shall not be responsible for any postal or electronic transmission delay or non-receipt of bid.
- Damage & Risk Responsibility: Any minor or major damage occurring during fabrication, delivery, installation, or final testing, and not covered under warranty, shall be fully borne and rectified by the Contractor at no additional cost to GSV.
- Penalties & Liquidated Damages: Penalties shall be levied for delayed completion, installation, and late submission of the Performance Bank Guarantee, as per tender conditions, GFR rules, and applicable procurement policy. Such penalties shall be recovered from the final payment.

Appendix 5: Compliance of BOQ Specifications (Technical)

Important: Submission of Compliance of BOQ Specifications (Technical), along with supporting documents/information, is mandatory while bidding. Failure to submit shall result in the bid being SUMMARILY REJECTED.

Sr. No.	Item Name	Specifications Required by GSV (as per BOQ)	Bidder Offered Item Specifications	Bidder Offered Item Image(s)	Deviation (if any)	Remarks
1	Tensile Shading Structure	i. Fabric Design, fabrication, supply and installation of tensile fabric membrane in accordance with the design in the approved drawings, as per the following specifications: - Material: 730 GSM Belgium make architectural tensile polyester fabric (SIOEN). All membrane to have a double lacquering made out of highly concentrated PVDF on both sides and double PVC coatings. - Tensile Properties: The fabric shall have minimum tensile strength of 4000N per 5cm warp and/or weft. - Tear Strength: The fabric shall have minimum tear strength of 600N warp and 500 weft - Fabrication: 1. All PVC tensile fabric to be welded in single stroke seamless welds with 60-80mm weld width using 20KW forstrom high frequency welding machine. 2. All PVC joints shall be formed to a tolerance of +1mm, -1mm. 3. All joints shall be assembled to ensure that seems are always single laid and attain seamless finish. 4. No cut edge shall face uphill. 5. All membranes to be weldable without grinding to make sure the fabric has less environmental impact. - Physical Properties: The fabric to have colour light fastness, not less than >6, note in accordance with the German standard DIN 54004, DIN EN ISO 105 B02. - Measurement: All fabric for this work shall be measured in square meters.
